**Clark County Republican Women condemn US Congresswoman Herrera Beutler's Announcement to Impeach sitting Republican President**

Clark County Republican Women have sent the following correspondence to Congresswoman Jaime Herrera Beutler regarding her public announcement to impeach President Trump:

*"In the strongest of terms Clark County Republican Women (CCRW) condemn your plans to vote to impeach our sitting Republican President. We urge you to do the right thing by reversing this course.*

*If you cast this vote to impeach, you will demonstrate a complete disregard to the citizens who elected you in the Third Congressional District of Washington. If you cast this vote to impeach, you will never receive our support or votes again at any time in the future. Additionally, we will do everything in our power as the largest Republican Women's organization in Washington State to recruit and elect a conservative candidate who will represent our values.*

*On behalf of our entire membership, the CCRW Executive Board is unified in condemning your actions to betray a sitting Republican President. And this vote will never be forgotten, as your action is a personal affront to the 70 million plus Americans who voted for our President."*
